INCOME TAX WITHHOLDING NOTICES AND ELECTION

REQUIRED BY IRS FOR PROPER TAX REPORTING

By not completing this section, you are electing to have the required federal income taxes withheld. The taxable portion of your distribution will be subject to federal income tax withholding and cannot be less than the required withholding percentage unless you opt out of withholding. Generally, a 10% Federal withholding rate will be applied against the taxable portion of your distribution unless Gleaner Life Insurance Society is required by law to withhold at other rates. IMPORTANT: If you have no income tax withheld or not enough withheld from your distribution, you may be responsible to pay estimated taxes. You may also incur penalties if your withholding and estimated tax payments are not sufficient. If you are a U.S. person (including a resident alien), and your address of record is a non-U.S. address, Gleaner Life Insurance Society is required to withhold income taxes unless you provide us with your U.S. residential address. If applicable, please provide your U.S. residential address with this form.

- I do not want to have federal income taxes withheld from the taxable portion of my distribution and acknowledge that I may be liable to pay income taxes.
 - I want to have the following federal income tax % withheld on the taxable portion of my distribution: _____% (Must be at least 10%)
- Please note:** If applicable, Gleaner will withhold the required minimum based on federal guidelines for the plan type.

IN ADDITION, MICHIGAN RESIDENTS MUST COMPLETE THE FOLLOWING

Michigan law requires 4.25% income tax withholding from the taxable amount of your distribution unless your payments are not taxable or you opt out. Please check the appropriate box below if you are a Michigan resident.

- Your distribution is not taxable or you wish to opt out.
Note: Opting out may result in balance due on your MI-1040 as well as penalties and interest.
 - I want to have the following state income tax % withheld on the taxable portion of my distribution: _____% (Must be at least 4.25%)
- Please note:** If no selection is made, Gleaner will withhold 4.25%.

Check this box if you are subject to backup withholding under the provisions of section 3406(a)(1)(c) of the IRC.
