S&P, S&P 500, US 500, The 500, iBoxx, iTraxx and CDX are trademarks of S&P Global, Inc. or its affiliates (“S&P”); Dow Jones is a registered trademark of Dow Jones Trademark Holdings LLC (“Dow Jones”). The trademarks have been licensed for use by SPDJI and sublicensed for certain purposes by Gleaner Life. It is not possible to invest directly in an index. This indexed annuity certificate (the “Certificate”) is not sponsored, endorsed, sold or promoted by SPDJI, Dow Jones, S&P, any of their respective affiliates (collectively, “S&P Dow Jones Indices”). S&P Dow Jones Indices make no representation or warranty, express or implied, to the Owners of the Certificate or any member of the public regarding the advisability of investing in securities generally or in the Certificate particularly or the ability of the S&P 500, to track general market performance. Past performance of an index is not an indication or guarantee of future results. S&P Dow Jones Indices’ only relationship to Gleaner Life with respect to the S&P 500 is the licensing of the Index and certain trademarks, service marks and/or trade names of S&P Dow Jones Indices and/or its licensors. The S&P 500 is determined, composed and calculated by S&P Dow Jones Indices without regard to Gleaner Life or the Certificate. S&P Dow Jones Indices has no obligation to take the needs of Gleaner Life or the Owners of the Certificate into consideration in determining, composing or calculating the S&P 500. S&P Dow Jones Indices has no obligation or liability in connection with the administration, marketing or trading of the Certificate. There is no assurance that investment products based on the S&P 500 will accurately track index performance or provide positive investment returns. S&P Dow Jones Indices LLC is not an investment adviser, commodity trading advisory, commodity pool operator, broker dealer, fiduciary, promoter (as defined in the Investment Company Act of 1940, as amended), “expert” as enumerated within 15 U.S.C. § 77k(a) or tax advisor. Inclusion of a security, commodity, crypto currency or other asset within an index is not a recommendation by S&P Dow Jones Indices to buy, sell, or hold such security, commodity, crypto currency or other asset, nor is it considered to be investment advice or commodity trading advice. SPDJI provides indices that use environmental, social and/or governance (ESG) indicators (including, without limit, business involvement screens, conformance to voluntary corporate standards, GHG emissions data, and ESG scores) to select, weight and/or exclude constituents. ESG indicators seek to measure a company’s, or an asset’s performance, with respect to E, S and/or G criteria. ESG indicators are derived from publicly reported data, modeled data, or a combination of reported and modeled data. ESG indicators are based on a qualitative assessment due to the absence of well-defined uniform market standards and the use of multiple methodologies to assess ESG factors. No single clear, definitive test or framework (legal, regulatory, or otherwise) exists to determine labels such as, ‘ESG’, ‘sustainable’, ‘good governance’, ‘no adverse environmental, social and/or other impacts’, or other equivalently labeled objectives. Therefore, the exercise of subjective judgment is necessary. Different persons may classify the same investment, products and/or strategy differently regarding the foregoing labels.
